A Day at Camp

Bible

Each group will participate in a daily Bible study. During this time, campers will learn about the many different ways the Gospel can apply to their lives. We have weekly memory verse challenges in which campers can learn their verse to earn a freeze pop.

Crafts

Our daily crafts give campers an opportunity to unleash their creativity. They have opportunities to use all types of mediums in order to develop their art skills.

STEM

Our STEM activities give campers a chance to practice their problem solving skills using science, technology, engineering, and mathematics. The STEM activities that we perform allow the campers to grow in their knowledge, decision making, collaboration, and much more skills needed in their everyday lives.

Large Group Games

Our large group games allow campers to use their gross motor skills in our gym. They will be engaged in energetic, age appropriate relays and sports that allow them the space they need to unleash their energy.

Lunches

Lunches are scattered throughout the day based on age groups. Campers are welcome to bring their own lunch but we do offer optional hot lunches that cost \$5 per lunch.

A hot lunch includes the option for 2 Hot Dogs or an alternative lunch. Each lunch comes with a juice pouch and chips.

Alternative Lunches:

Monday- Chicken Nuggets

Tuesday- Hot Pocket

Wednesday- Fish Sticks

Thursday- Corn Dog

Friday- Pizza

Technology Policy

There are select times per day in which campers are able to use their electronic devices. If devices become a distraction for the campers, counselors will confiscate the device and give it to an admin to return to parents at the end of the day.

Grey Stone Kids Camp is not responsible for lost or broken items.

Friday Fun Days

Every Friday, we will have “Friday Fun Days” that will be different than our daily schedule. Our plans are to have water days and special guests come to engage the campers in summer fun. Friday afternoons, we will host a movie for the campers to enjoy. Campers are welcome to bring blankets and a stuffed animal to enjoy the movie. We will have concessions available before the movie where the campers can buy a snack using cash.

This year, our water days will be on Friday, June 25 and Friday, July 30. On these days, campers will need a bathing suit, sunscreen, a towel, and any other necessities.

2021 COVID Guidelines

For the time being, campers and counselors will be wearing masks while in the Legacy building. Based on staffing needs, groups might be combined in a large room from 7:30-8:00 or 5:00-5:30 but will remain separated in their own classrooms for the duration of camp activities.
